1 2 3 4 5 6 7 UNITED STATES DISTRICT COURT WESTERN DISTRICT OF WASHINGTON 8 AT SEATTLE 9 UNITED STATES OF AMERICA, 10 Plaintiff, 11 CASE NO. CR05-396C v. 12 ORDER RANDALL CANUPP, REGINALD PURDOM, 13 BENJAMIN LONG, and ANTHONY D'ALOIA, 14 Defendants. 15 This matter comes before the Court on Defendants' Stipulation to Continue Trial and Establish 16 Motions Cutoff Deadline (Dkt. No. 37). 17 The current Motions Cutoff Deadline is December 1, 2005 and the current trial date is January 3, 18 2006. Counsel for Defendant Randall Canupp has just entered his appearance after a substitution of 19 counsel (see Dkt. No. 38) and has not had sufficient time to review discovery for preparation of legal 20 motions and for trial. A denial of the requested extensions would unreasonably deny Defendant Canupp 21 adequate preparation by his attorney and would deny counsel reasonable time to prepare. Due to these 22 factors, exclusion of additional time under 18 U.S.C. § 3161(h)(8)(iv) is appropriate, taking into 23 account the exercise of due diligence. 24 All Defendants have joined in the instant motion, but only three of the four have filed speedy trial 25 26 ORDER - 1

waivers. Defendant Canupp has waived speedy trial rights through March 26, 2006 (Dkt. No. 41); Defendant D'Aloia has waived speedy trial rights through March 21, 2006 (Dkt. No. 39); and Defendant Long has waived speedy trial rights through March 6, 2006. Defendant Purdom has not waived speedy trial rights in association with the instant request for a continuance, but because there has been no severance of trial and his three codefendants have waived speedy trial rights and presented sufficient grounds for a continuance, the delay between the date of this Order and the new trial date is excludable time pursuant to 18 U.S.C. § 3161(h)(7) as to Defendant Purdom.

The proposed continuance of the trial does not appear to prejudice any party. The Court finds that failure to grant the requested continuance likely would result in a miscarriage of justice. The Court further finds that the interests of the public and the Defendants in a speedy trial in this case are outweighed by the ends of justice, within the meaning of 18 U.S.C. § 3161(h)(8)(A).

Accordingly, IT IS HEREBY ORDERED that the pre-trial motions cut-off date shall be extended to January 31, 2006, with a new trial date of March 6, 2006. The time between the date of this Order and the new trial date shall be excludable time under the Speedy Trial Act pursuant to 18 U.S.C. §§ 3161(h)(8)(A) and 3161(h)(8)(B)(iv) as to all Defendants and, additionally, pursuant to id. § 3161(h)(7)as to Defendant Purdom.

John C. Coughenour

United States District Judge

SO ORDERED this 16th day of December, 2005.
